n using the only means that are likely o attain their object. We only protest that we for one, do not units in it. The New York Herald says, in a Angusta L&R C. Bank of Angusta characteristically mischief-making and

malicious article: The late masters of the negroes have sense enough to see that the interests of ven, that restoration and the conseque prosperity of the south will be a benefit to both, and that exclusion from politi-cal privileges, from representation in ah. Besides, as a general thing, there ate masters. This is evident from the addresses of the more intelligent to the The speeches dolivered by some of aces to cultivate these kindly, friendly

Now, this is a sad state of things, slerais had erroneously supposed the ne-gross bates the white master race, and held, \$879,191,190. did not eradicate this error. The radi-

traordinary influence toon political rties and upon the destines of the table. The radical press is dumb-

is danger of it, they will at once make effectual use of the bribe offered by the confiscation bill. Every step we take to win that vote, either here or in the provinces, helps to make certain the en-actment of that bill. With such a means large at 1 and in their bands of controlling the negro vote, and with so many other inducements to desire its passage, combining the two most potent springs of human action, profit and revenge, the malignants are not green enough to permit themselves to be checkmated. If we september, 1805, 100 sould secure the most sweet voices October, 1805, 100 sould secure the most sweet voices October, 1805, 100 sould secure the most sweet voices could secure the most sweet voices of the negro under other circumhare possibility of success, makes a general confiscation inevitable.

We are making-our fight, at least in the Provinces, too soon, or too late. If we were to be compelled to yield at all, we should have done it before. After losing the better opportunity, we ought not to
